REPORT

THE year 1947 will probably be our last full year as an independent voluntary hospital. We can now look back over almost 50 years during which time we have grown from a cottage hospital to an efficient general hospital with facilities for dealing with every kind of patient and sickness. In recent years, like most other hospitals, we have had staffing and financial difficulties, but we have carried on, and instead of the hospital services being curtailed, they have actually increased. For instance, in this year, we have opened an orthopaedic clinic under Mr. K. I. Nissen, who is an old friend of the hospital, and has been on the Hon. Consulting staff for many years.

The accounts show that our expenditure has exceeded income by £1,411 18s. 3d. The main cause for this is to be found in the very great increase in expenses, especially in staff salaries, and so far as this increase is due to staff salaries, we welcome it wholeheartedly.

The Appeals Committee have been active during the year in its endeavour to raise funds. One of the most successful efforts has been that of the Darts League, organised by Messrs. Corfield and Judkins, which, this year, has paid over to us £250, and next year promises to do even better.

The Summer Fete was again a success, and we were very pleased to have Mrs. Hardy, the Chairman of the Bushey Urban District Council, to open it. She has been showing an increasing interest in the hospital, and has been a regular visitor to the Wards.

At Borehamwood Mr. Sewell has run a branch of the Appeals Committee, and has raised funds for us with a pantomime, a play and display of dancing.

Nearer home, as always, we have had to rely heavily on our good friends of the Contributory Scheme, under the Chairmanship of Major Blackley. The willing workers in the Contributory Scheme have for many years helped enthusiastically, and we owe a great debt to them. We hope that they will continue to work for our hospital, possibly within the framework of their existing organisation, in the coming years. There will still be much to be done on a voluntary basis in the provision of amenities for patients and staff and perhaps also with schemes to provide convalescent treatment, optical and surgical appliances, etc.

The Rev. W. G. Eeles, who succeeded Rev. A. G. Sayer as vicar of the Parish, is now one of our honorary chaplains and is an active member of our Committee.

Once more we thank our loyal friends and helpers for their work for us. Many of them have a connection with the Hospital going back a large number of years. There will still be some room for their help and activities after July next, and we hope they will continue to work for the Hospital.

As mentioned in our 1946 Report our policy has been to carry on to the very best of our ability and to keep the Hospital at the highest pitch of efficiency.

SIR PERCY EVERETT, *Chairman*
E. BRUNSKILL, *Secretary*.
